FID ID No. 7983
Huntington, Huntington County

Dear Mr. Almalahi:

Enforcement staff conducted a record review on February 18, 2022 and has determined that Brother's Oil LLC has achieved compliance with the terms of the Agreed Order issued to you on January 27, 2022.

Thank you for your cooperation. If you have any questions concerning this matter, please contact Samantha Nunnery at (317) 234-7108.

IDEM strongly encourages the use of pollution prevention techniques to reduce pollution emitted to the environment, and to conserve resources such as water and energy. Implementation of such techniques can decrease manufacturing costs/overhead, increase worker safety, and perhaps lessen the impact of environmental regulations upon your operation. For more information on pollution prevention, call IDEM's Office of Pollution Prevention and Technical Assistance at 800/988-7901 or visit www.in.gov/idem/prevention.

Sincerely,

Jennifer Reno, Section Chief
