Re: Resolution of Case No.: 2021-28320-C
Office of Land Quality
Alan and Victoria Schroll d.b.a. Schroll Dairy Farm
North Manchester, Wabash County

Dear Mr. and Mrs. Schroll:

Enforcement staff conducted a record review on May 31, 2022 and a reinspection on May 18, 2022 and has determined that your farm has achieved compliance with the terms of the Agreed Order issued to you on March 3, 2022.

Thank you for your cooperation. If you have any questions concerning this matter, please contact Linda McClure at (317) 233-5954.

IDEM strongly encourages the use of pollution prevention techniques to reduce pollution emitted to the environment, and to conserve resources such as water and energy. Implementation of such techniques can decrease manufacturing costs/overhead, increase worker safety, and perhaps lessen the impact of environmental regulations upon your operation. For more information on pollution prevention, call IDEM's Office of Pollution Prevention and Technical Assistance at 800/988-7901 or visit www.in.gov/idem/prevention.

Sincerely,

Jennifer Reno, Section Chief
Enforcement Section
Office of Land Quality
