3	THE HEARING OFFICER: All right.
4	We'll go ahead and get things started. This is a
5	very formal process. We're required by law to
6	follow this very strictly, so I have a script
7	that we're going to read, so it's not that I
8	don't want to talk, but we have to follow this
9	script. So, good evening. I'd like to welcome
10	all of you to tonight's public hearing.
11	Will the official reporter designated for
12	this hearing please stand and raise your right
13	hand and state your name?
14	(Reporter sworn.)
15	THE HEARING OFFICER: Thank you.
16	My name is Brian Wolff, and I am the
17	Branch Chief for Surface Water and Operations in
18	the Office of Water Quality at the Indiana
19	Department of Environmental Management. I am
20	Hearing Officer in the public hearing scheduled
21	for tonight.

Ļ	

present tonight at this hearing will not be acting as advocates of the District. They will not be presenting any evidence as to why the District should or should not be created.

5 The IDEM staff want to hear the public's 6 comments and evidence on why the District should 7 or should not be formed. When presenting your comments, please include facts and evidence, such 8 9 as dates, what you have personally observed and 10 when, and what you feel the solution is to any 11 problems and why. It is not helpful to the 12 Department to receive comments favoring or not 13 favoring the District unless the comments are 14 accompanied by reasons backed up by evidence and 15 facts.

Notice of the time and place of this hearing were given as required by law by publication in the Brazil Times newspaper.
