SECOND ORDER MODIFYING THE ORDER FORMING THE FREELANDVILLE REGIONAL SEWER DISTRICT

The Freelandville Regional Sewer District (the "District") was previously established by Order of the Indiana Department of Environmental Management (IDEM), dated January 18, 2011 ("original Order"), for the purpose of collection, treatment and disposal of sewage. The original Order stated the District shall file with the Commissioner of IDEM, a detailed plan for the construction and operation of the District's facilities by October 10, 2011.

On or about October 20, 2011, the District, by its Board of Trustees, petitioned to amend the original Order, pursuant to Indiana Code (IC) §13-26-1, by requesting an extension of time to file the District's Plan. A First Modification Order to extend the District's timeframe to submit their District Plan was granted on December 2, 2011. The first Modification extended the time to submit the District Plan to April 13, 2013.

On or about March 8, 2013, the District, by its Board of Trustees, petitioned to amend the First Modification Order, pursuant to Indiana IC §13-26-1, by requesting an additional extension of time to file the District's Plan.

The Commissioner of IDEM now orders that the First Modification Order of December 2, 2011 be amended. The District's request to extend the time to submit its district plan is approved. The Commissioner hereby orders that the District submit its plan by May 15, 2014. In all other respects, the District shall remain subject
