FIRST ORDER MODIFYING THE ORDER FORMING THE HARRISON COUNTY REGIONAL SEWER DISTRICT

The Harrison County Regional Sewer District (the "District") was previously established by Order of the Indiana Department of Environmental Management, dated September 23, 2005 ("original Order"), for the purpose of collection, treatment, and disposal of sewage. The Recommended Order stated the Harrison County RSD shall file with the Commissioner of IDEM, a detailed plan for the construction and operation of Harrison County RSD's facilities by June 19, 2006.

On or about June 28, 2006, the District, by the Board of Trustees, petitioned to amend the original Order, pursuant to I.C. §13-26-1, by requesting an extension of time to file the Regional District's Plan as described.

The Commissioner of IDEM now orders that the original Order of September 23, 2005, forming the District, be amended. The Commissioner approves the District's request to extend the time to submit their district plan. The Commissioner hereby orders that the district plan time frame to submit their plan be extended to February 25, 2008. In all other respects, the District shall remain subject to the terms of the Order dated September 23, 2005.

Pursuant to I.C. § 4-21.5-3-5(f) and I.C. § 4-21.5-3-2(e), this Order modifying the original Order forming the Harrison County Regional Sewer District, becomes effective eighteen (18) days after its mailing. If you wish to challenge this decision, I.C. 4-21.5-3-7 requires that a petition for administrative review be filed. The petition describing your intent must be submitted to the Office of Environmental Adjudication, 100 North Senate Avenue, IGC-N, Indianapolis, Indiana 46204, within eighteen (18) days from the mailing of this notice. This petition must be filed in accordance with I.C. 4-21.5.3-7, and must include facts demonstrating that the petitioner is the applicant, a person aggrieved by this decision, or a person entitled to review by law.

DATED in Indianapolis, Indiana, on the 9TH day of OCTOBER, 2007.

Thomas W. Easterly,

Commissioner

Indiana Department of Environmental Management
