In response to that appeal, the Hancock County Regional Water and Sewer District has requested an extension of time to submit its district plan to the IDEM. The Commissioner of the IDEM now orders that the Order of March 13, 1996, forming the Hancock County Regional Water and Sewer District be amended as follows:

2. That in all other respects, Hancock County Regional Water and Sewer District will remain subject to the terms of the original Order entered on March 13, 1996.

Under IC 4-21.5-3-5(f), this Order becomes effective eighteen (18) days after the mailing.
